

Lioness Club of Central Square

As you may know the Lioness Club of Central Square has contributed to our local community through the fundraising efforts of our annual Apple Festival. Throughout the past 27 years the Lioness Club has donated to local charities, libraries, fire companies, ambulances and many other worthwhile causes that are located in our surrounding areas.

As we have grown through the years, we have invited many area non-profit organizations to raise money at our festival at no cost to them.

Over the years, our Apple Festival has grown tremendously, but our costs have increased steadily. This year we are looking for businesses to help support our mission. We would like your support in partially sponsoring our festival so we may give more back to the community that has given each of us so much.

In appreciation of your generous donation, we will provide visibility for your company's name in several locations. This may include posters, banners, our web site and other forms of media advertising.

We currently have 4 levels of participation:

\$25 to \$100	Silver Patron
\$101 to \$500	Gold Patron
\$501 to \$1000	Platinum Patron
\$1001 +	Titanium Patron

As always we want to support our local community and look forward to your assistance in our festival with your generous donation.

We would like to thank you in advance for your anticipated support. Any and all donations are greatly appreciated, and 100% of our proceeds are donated back into our local communities.

Sincerely,

Lioness Club of Central Square
